

ALBNL CONTINUING EDUCATION PROGRAM (CEP)

CORE Topics and Allocation Chart

The CORE topics for the current cycle are:

- Architectural Culture
Architectural Design
Environment and Energy
Heritage Building Restoration
Legal Issues and Legislation related to Architectural Practice and the Construction Industry
Building Codes (NBCC, NFPA, Accessibility Act, applicable CSA Standards)
Practice Management and Project Management
Risk Management
Starting Your Own Practice
Sustainable Design/Green Architecture (including LEED Workshops, Accreditations)

The content of learning modules promoted as CORE Programs under the ALBNL CEP must fall within one of the CORE topic areas.

The CORE Allocation Chart:

The following categories of education activities are eligible for CORE Learning Hours under the ALBNL's CEP provided the content of the activities falls within one of the above CORE topic areas. For a Transcript Audit, License Holders and Intern Architects shall keep documentation for a period of two years after completion of the learning activity and shall submit such documentation to the ALBNL upon request. License Holders are required to complete the maximum hours noted below and Intern Architects are required to complete 50% of the maximum hours.

Table with 3 columns: CORE Categories, Description, and Max. Hours allowed per 2-Year Cycle. Row 1: Course/Workshops, An organized and structured session dealing with a specific matter or topic related to business or architecture... A certificate of completion, confirmation of attendance, course curriculum/outline, diploma, publication, etc. must be submitted with each CORE Activity... 25
